PROFESSIONAL SUMMARY

Results-driven Performance Marketing Analyst with 2 years of experience planning, executing, and optimizing paid media campaigns across Google Ads, Meta Ads, LinkedIn Campaign Manager, and Snapchat Ads. Proven track record of generating high-quality leads, delivering strong ROAS, and reducing Cost Per Lead (CPL) through data-driven strategies. Experienced across healthcare, education, real estate, automotive, ecommerce, and commercial sectors. Skilled in full-funnel campaign management, A/B testing, audience segmentation, conversion rate optimization (CRO), and automated reporting.

WORK EXPERIENCE

Performance Marketing Analyst | GenY Medium, Hyderabad

Oct 2024 – Present

- Planned and executed full-funnel paid media campaigns across Google Ads, Meta Ads, LinkedIn Campaign Manager, and Snapchat Ads — covering awareness, consideration, and conversion stages.
- Generated 80+ qualified leads per month for a real estate client through continuous optimization of audience targeting, creatives, and bidding strategies.
- Delivered 6x ROAS for education clients through performance optimization and funnel improvements.
- Drove 1.5x+ ROAS for an ecommerce client's cancer supplements category through targeted audience strategies and continuous campaign optimization.
- Achieved 3x+ ROAS on women's personal care products for an ecommerce client through creative testing, audience refinement, and bid optimization.
- Reduced Cost Per Lead (CPL) by 20% through structured A/B testing of creatives, audiences, landing pages, and bidding strategies.
- Managed Rs. 20L+ monthly ad spend for a seasonal water park campaign, optimizing for ticket bookings, lead generation, and peak-season performance.
- Improved conversion rates by 20–25% through audience segmentation, A/B testing, and funnel optimization.
- Built automated reporting dashboards in Excel and Google Sheets, reducing manual reporting effort by 40%.
- Created and optimized custom audiences, lookalike audiences, and remarketing strategies for consistently lower CPL.
- Handled end-to-end campaign operations including UTM tracking, conversion tracking, naming conventions, and budget pacing.
- Collaborated with content, design, and sales teams to align paid media campaigns with business objectives.

Digital Marketing & Web Intern | GenY Medium, Hyderabad

Jul 2024 – Oct 2024

- Assisted in execution, monitoring, and optimization of paid media campaigns across Google Ads and Meta Ads.
- Supported landing page updates and on-page optimizations to improve conversion performance.
- Collaborated with marketing and development teams to implement SEO strategies and tracking best practices.
- Gained hands-on experience with paid media platforms, reporting workflows, and campaign performance analysis.
